Sidestepping Strife in Family and Group Situations

There are few things that bring joy as sweet as dwelling in harmony with our brothers and sisters. Scripture says “How good and pleasant it is when God’s people live together in unity. It is like precious oil poured on the head,

running down on Aaron’s beard, down on the collar of his robe.”
Psalm 133

And truly this is the sweetest part of community. But as we all know, it isn’t always this way. We all get tired and sometimes short with one another, and Satan is always standing by with his lying demons to make us contentious or resentful and turn us against one another.

What happens when someone says or even feels badly in the company of her brothers? First of all the enemy is trying to divide us so we will lose the precious gift of fellowship with one another. Second of all he wants us to judge others and plant a bitter seed in our hearts about them. Mind you this is when we are all of one accord, but along comes the enemy and exploits the weaknesses of one another.

And here I would like to apologize to my dear ones, that this Sunday gathering did not end on a joyful note. Two of our members had been through a grueling week of moving and came up from

Taos, totally exhausted. I have to say, exhaustion is an open door, because we are more susceptible to strife when we are tired. I too had a very exhausting week with Ezekiel in pain for so many hours. And those of us on the refuge were really looking forward to seeing those in Taos and having worship together.

Well one thing I promised myself, I will not cut worship short for programs or agendas...you know...just when the anointing is really falling, it's time to cut it short to let everyone go home for lunch. I do not want that, ever. And I felt we needed to press into worship for several more minutes, if not hours. But because the roads are difficult this time of the year, there is a chance that someone will get stuck and not make it down, in the dark. Then I was gently reminded, that 4:00 was rapidly approaching and we would have to stop the worship, to have our fellowship meal, so the brothers from Taos could make it down before dark.

For those who live up here and really wanted worship to go on and on, there was disappointment. And of course I felt at a loss, but for those who were dead dog tired, it was their only option. They had worked hard all week and finally got moved in and were very tired, I should have realized that and perhaps postponed our Sunday together. My bad, dear ones. I apologize for not recognizing how very exhausted you were, please forgive me.

So what can we learn from this situation? I believe we should prepare for Sunday on Saturday night so that we are all fresh and rested to spend the day together. In the future I will do my best to make sure that happens for all of us. The enemy hates this prayer community. He wants to throw the monkey wrench in and is clever in his planning. You know the enemy sends his demons into churches on the days there are services. So we need to protect that time before it comes. I have noticed that every Sunday something unpleasant would come up at the end of the meeting.

It didn't matter who it came through, the situations varied. But I think what we need to know is that anytime we plan on being together, the enemy plans on wrecking that time and throwing it into disorder. My precious ones, we have to be smarter than Satan and more self controlled, even looking ahead at what could happen to disrupt things. We now know that these things are deliberately planned by the enemy, they are not just coincidences.

Lord, have You something to share with us?

My precious community, you have many who oppose you, but you also have My charity and brotherly love to protect you. Stay under the covering of brotherly love and you will not be disturbed. What the enemy meant for bad, will instead be an occasion of instruction and good to others.

You are here not just to fellowship and have a good time. You are here to be prepared for your own missions, and as you watch Mother Clare make both good and bad decisions, you are learning what you may expect to happen to you later on in your missions. There is no weapon against brotherly love. The enemy is at a loss when each of you love your brother and sister more than you love yourselves. When you are looking out for the good of the community, you will spot areas of weakness that the enemy may be waiting to exploit. If your mind is on yourself, your comforts, your choices, you may miss the weak spot.

Your selfless attitude will defeat the most common of his weapons, selfishness and self serving, symptoms of pride. When your heart is set on what is right and not just your particular agenda, there is very little that can be leveredged against you to cause strife because all of you will be quick to yield and do what is best for all, in even the worst situations.

Those of you that are called to be here during the tribulation, this is training for you. I know the enemy's next move, but your obedience to My will, will cause you to sidestep many a trap. When you fall into Pride and self serving, then you are bound to fall. This is why obedience and detachment is so very important.

In My Father's last message, He spoke to you about doing what is right for no reward at all or even in spite of the sacrifices you will make. He also told you that you will not always know why He does things the way He does, or even what fruit can be gleaned from your sacrifices. When your heart is satisfied totally by knowing you have done His will, you cannot be lead off track. Live to do My will dear ones. Make that your full time preoccupation, and you will have peace so deep the enemy will not be able to take you over and ruin what I have for you. Find your joy in this My dearly beloved bride, and you will scale the highest mountains with little effort.

Compromise - Satan's Best Traps

My precious family, truly we are one in the Lord and part of the overall body of Christ. When we come from the world we are used to acting as independent adults, making our own decisions, doing as we think best with our time.

But when we come together as a family in God, there is a new challenge, laying down the independent style of life for one that is knitted together in brotherly love and concord. This is A new lifestyle that enables us to move as one under God rather than as individuals with our own agendas that come together because it is convenient. In a word we are dying to ourselves to live as Jesus has called us functioning harmoniously, and holding brotherly love as the only way of life.

As a family we have goals that profit all of us, we share everything in common, we see to the needs of one another, we look out for those who are weaker, we contribute and take care of thcose things that make a healthy community.

Lord.

My tender shoots, I have been with you in your endeavors to form community and I am well pleased with the shifts that have taken

place in your hearts. I see real effort and sacrifice, and you've truly embraced the right idea.

This is a training ground and what you experience personally in your own minds and hearts, you will some day experience with those you invite into your communities. Therefore I want you to pay particular attention to your interior struggles. I want you to be familiar with and understand that you no longer act as your own agent but as an integral part of a whole, very much a family of God. I am in your midst and many times direct you to the changes you need to make in your thinking.

As you have endeavored to do that, I now ask you to endeavor even more to lay down your preferences and ideas for what I place before you. I am working in your hearts every moment of every day. I speak to you in tender whispers and subtle urges to choose one action over another. There is still a great deal some of you need to lay down with order to be a true functioning part of what I am building here and what you will build elsewhere.

I am knitting your hearts together for My own purposes and the work that has been begun here will continue. Though some will be separated at times by distance, in Heaven and in the Spirit there is no distance, rather what has been brought together will endure throughout eternity. The alliances you have gained here will accompany you throughout your journeys in Heaven as well. The lessons you learn now will be the groundwork for greater things to come in your holy lives.

My beloved ones, there is much to ponder in these times. There is much you will never understand until Heaven, but you will see fruit here on earth and come to know the purposes I have for each of you for the future and even beyond.

2 days later

Lord, I feel what you want to say...please speak to us.

Your reading said, "A sheep wandering alone in the forest is fair game for the wolf." And those who choose their own way, not consulting with others in positions of responsibility, are like a knight riding off to battle on a sorry nag, without their armor, they are bound to be unseated. While the knight fully clothed in his armor on a spirited and experienced war horse, is like the one who acts under the covering of obedience and does not make his decisions without the help of one more experienced.

My children, when will you learn to defer to those who have charge over your souls? You have never gained anything but troubles by mixing with the world. Elisha knew well the temptation of compromise, that is why he did not spare the oxen nor the yoke, but destroyed his escape routes...his options to go back to the farm.

You are riddled with many passions my precious ones, and I know well how to quell them. On the other hand Satan knows well how to flame them. Even Mother Clare knows she is not safe with her own judgments, and so she relies on Me and her husband to make the right decisions.

If you want to advance in this life, if you want to go deeper, if you want more of Me, if you want to leave the world - truly leave the world behind, you must do battle valiantly with your own will and not act independently of your covering.

Lord, I didn't want to be a dictator at Christmas time...yet I knew there were some wrong decisions being made.

And you did well to let it go so they could experience the fruits of

their own decisions. But now they are maturing and have great need of renouncing the enticements of the world. Satan knows well how to saddle them with false guilt, and move them to return to the world under one pretext or another. But I am asking you My dear ones, stop compromising with the world. There are a thousand and one reasons for you to mingle with the world when you've renounced it. And all of them have their source in the enemy of your souls.

You however cannot see this, that is why you need and oversee to consult and base your decisions on wisdom beyond your years in the world. It takes only a tiny crack to open the door to sin. Satan makes little of these cracks, pumping you up with assurance that you are too strong to fall, and besides, there is a good deed mingled in there.

What you do not see is the trap waiting for you...just to step outside the boundaries of your covering...and when you do, down comes the net and you are entrapped. This is because you relied on your own counsel and did not seek the counsel of your elders. I am hoping now, that you have learned something from the decisions you made on your own. I am hoping that you will stop trusting yourself and look to Me and those who I have appointed to cover you, before you do anything in your own wisdom. This human wisdom will be your downfall.

None of you are secure enough to dabble in the world. You've lived in it for decades, you left it for Me, now are you returning...? For what reason? Am I sending you or are you being lured. Dear ones, do not play with evil. What looks harmless on the outside holds great danger for you. Once you are in the safety of the sheep fold, do not wander and cross over the fence erected for your security. The wolf watches you closely and takes note of every human reasoning that can be exploited to remove you from the safety of

your shepherd.

I want to see you grow in holiness, not be subjected to manipulation by men who do not have My heart for you, but are acting strictly on human impulse and reasoning. They are being used by the enemy to steal your holy way of life from you and sadly you have no vision of what is being planned and played against you. In a moment of weakness, you could loose it all. Do not wander My precious ones, keep your eyes on the prize and stay within the boundaries of the sheepfold. No man in the armed forces gets involved with civilian affairs. How much more should you honor your committment to Me, even when it entails disappointing those in the world. They have made their choice, you have made yours. Be steadfast, no man putting his hand to the plough takes his eyes off the soil even for one second, lest he and the plough meet with destruction.

Oh how I love you and have many gifts planned for you as you empty yourself before Me to make room for them. I will not invest My precious gifts in wild sheep, only those who hearken to the call of their master and are not moved by any other motive or call, only those can be trusted with My riches. Lean not on your own understanding, that I alone may direct your path. I bless you now in your hearing ears, with the graces of humility and docility, that you may be found trustworthy of the riches of the kingdom of Heaven.

Wakeup Calls and Condemnation

Thank You precious Lord for clearing the debris from my mind and showing me the way. Please open the eyes and ears of Your people to receive this message and to act on it. Amen

I want you to know that you are under continual condemnation, so much so that you can hardly discern what to do or what you might be guilty of. This is NOT Me. This is the enemy trying to sew confusion to the point of paralyzing you. Without being able to sense what is right or what should be next.

What do I do with this?

Brush it off, recognize the source and brush it away. I will let you know when there is a real problem, but until I do, do not receive this 24-7 condemnation from the enemy who is trying to paralyze you with fear so you will do nothing. He acts in this manner with all souls, but especially those chosen to bring My message to the world.

A good thing to do so you can recognize who is who, is to place your hands over My Heart and linger. You will feel My Heart, My Love for you and My approval. So many times you have been missing My Approval thinking you were doing wrong when you were indeed doing right. This has worn you out, causing much fatigue. So be very discerning when you feel you are coming under

question...doing the right or wrong thing.

Beloved, I am going to have to do some very difficult things in this nation and in the world. I want you to be steadfast in the midst of turmoil and know beyond a shadow of a doubt that you are taken care of. Some very difficult things. (He was crying) Know that you are secure in My arms, this community will thrive, only be very careful who you admit, that they are not a drag on the rest. Yoking is very, very important. Better to be a solitary than to have those who are not in line or mature enough to deal with things the way they should be dealt with. Satan uses such people to destroy the good in a community. Beware of the critical spirit, there is nothing more deadly to brotherly love than this attitude under any pretext.

I have not called you to be perfect or the state of the art community. No I have called you to be a family, in love with and serving Me, with all your bumps, bruises and imperfections. Those who are seeking the perfect community are destined to wander in the wilderness of their own minds. They do not have My Mind, but the enemy's. They will find fault with the most perfect situation. They will blow it out of proportion and pass sentence on the innocent. Have nothing to do with such as these. They are Satan's tools of destruction parading under the banner of holiness.

Lord what do you want me to focus on?

Training your replacements. Those who have not responded by now will have to be drawn up higher by other means. Your job now is to prepare those who will lead. I know you see nothing of any value in your leadership, but you are not leading by your gifts, you are leading by My judgements and gifts. Therefore, don't put your office down. In spite of all your flaws, I have chosen you to lead and you cannot see what in you is so important to Me. But understand this, your faults have helped many a poor and hopeless

soul. That does not give you licence to back slide My Love, but it is to loosen the hold of condemnation so you can procede with more confidence in My working through you.

Returning to what I was saying, there are indeed difficult times coming upon the world but it is only to light a fire under the lukewarm and fence walkers. I move slowly in order to catch all up into focus that this is the end times and at any moment the world could suffer a nose dive. They are not prepared, this is not your fault. Simply stated, other things were more important to them than their salvation and sanctification. So WE move forward into those realms that will bring about a more focused Christian, more prepared interiorly.

This is My message today, do not allow the continuous arrows of condemnation trying to undermine your leadership and walk with Me, to affect you. We are walking as one and they are liars committed to under mining the work of My Holy Spirit in your lives.

My other message is that change is coming, threatening things that will wake up My people, are coming and you along with the community will be taken care of. Be more discerning with who you allow in, many will be sent to bring destruction under the guise of holiness. You are learning from recent experiences just how toxic that can be. Pray for them but allow no alliance.

You will know the ones that can be trusted. Truth will bear witness to your hearts. Go now My precious vessels unto honor and walk with Me fearlessly. I am your strength and your salvation, you were born for such a time as this.
